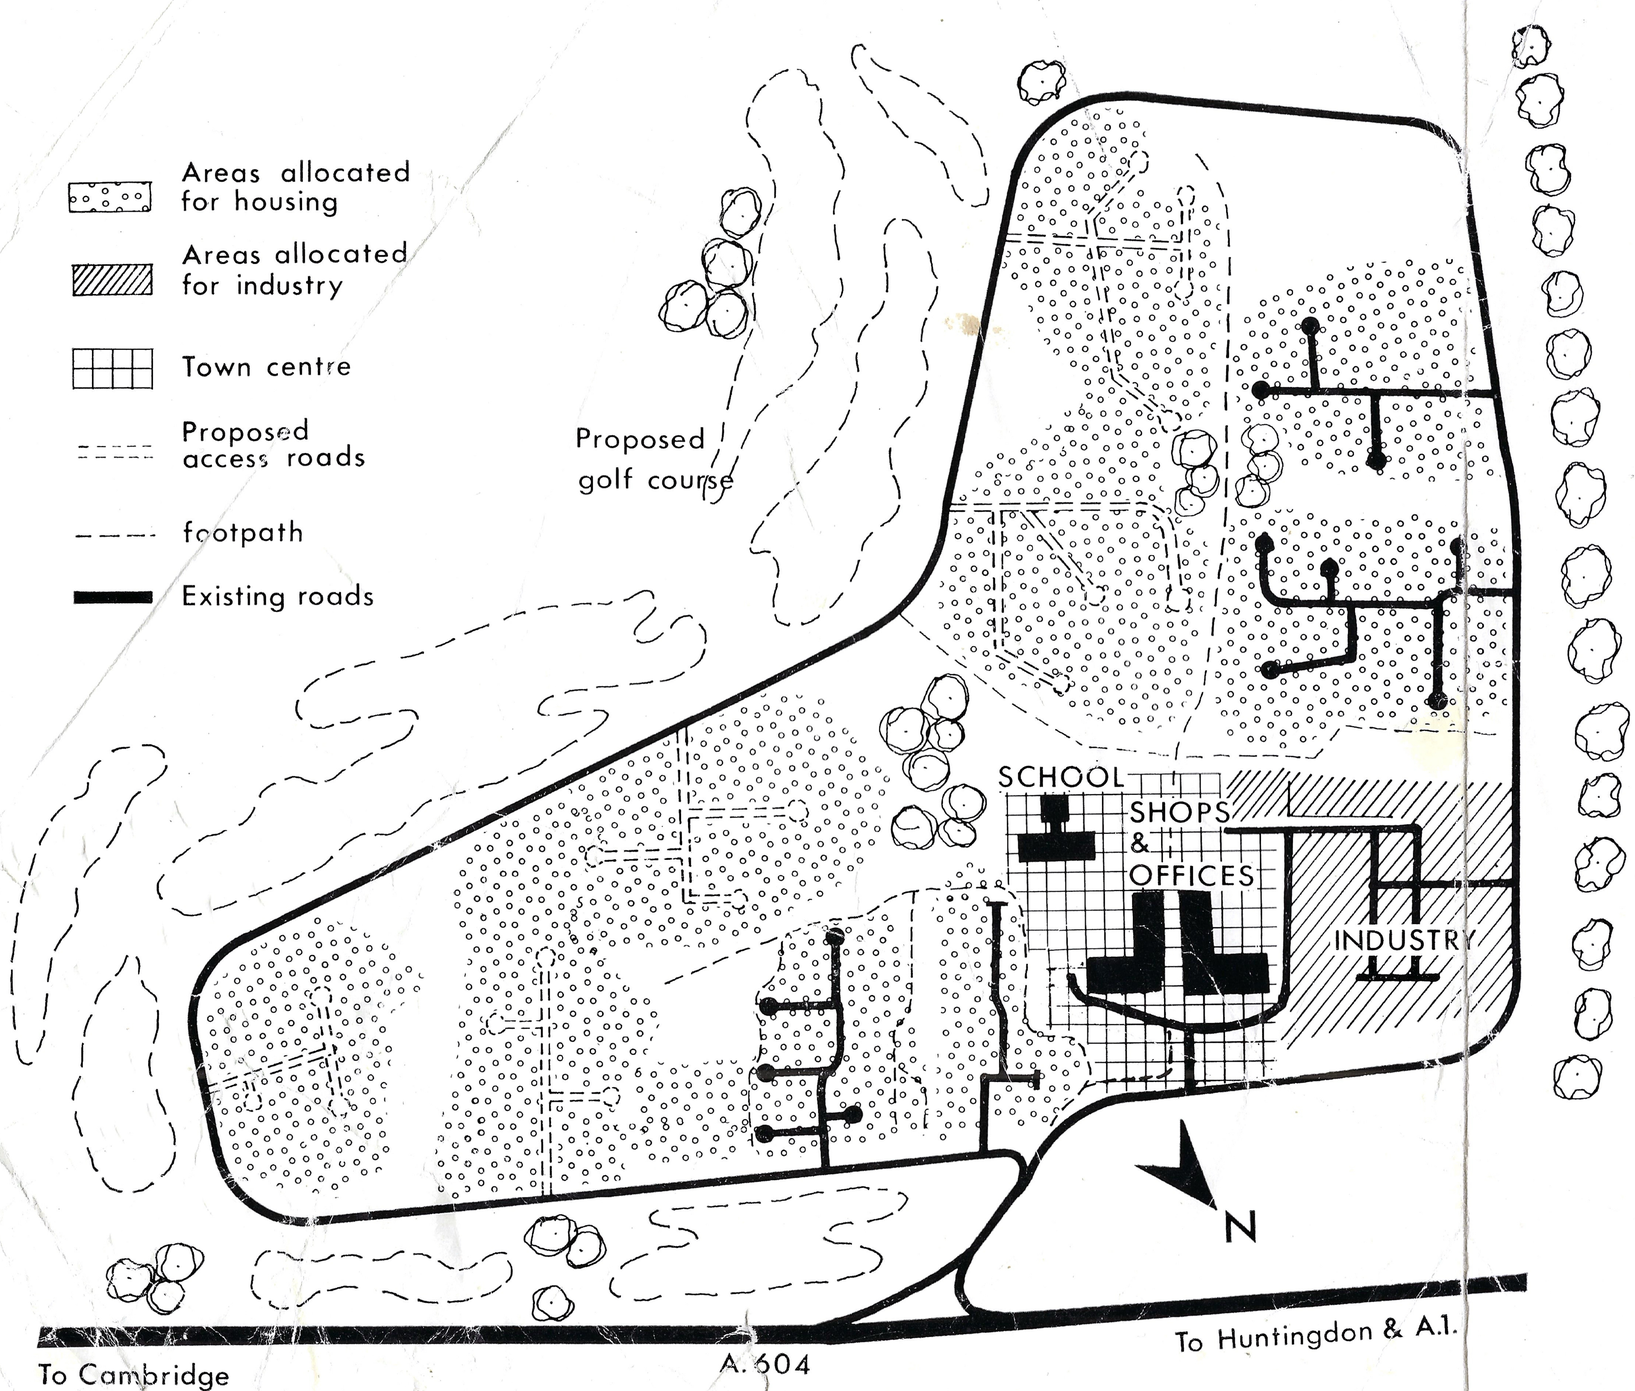
BAR HILL DEVELOPMENT



RESIDENTIAL

A total of 1,250 houses of various types offering attractive accommodation are now under construction.

The residential content is being developed on a neighbourhood basis, thus providing several communities possessing their own identity.

A network of footpaths providing pedestrian access to the shopping, commercial and industrial centres maintain a safe and pleasant environment for the occupants of BAR HILL.

Excellent social amenities are provided close at hand and include facilities for swimming, football, rugby, cricket, golf, rowing and gliding.

A Residents' Association was formed in October, 1967, thus ensuring participation of residents in the management of the community, its public services and future development.

Each unit is sold on a leasehold basis for a term of 999 years to the BAR HILL Village Trust, which is in turn owned by the residents.

Further information showing layout and accommodation afforded by each type of dwelling is available upon request.
